In the course of **2021**

Aerofleet S.A.

has given **43.069 RECYCLED BOTTLES***
a new life as a foam core material.

By using ArmaPET **Aerofleet S.A.** saved
2 TONS OF CO₂ EMISSIONS.

This equals to **2 flights****
from Brussels to New York.

Thank you for a successful partnership.
Together we make a difference around the world.

* Bottles are calculated based on 32g / bottle, the standard 1,5L PET bottles.

** One traveller, one-way, economy class
